and Astrophysics (IOAA)** held at Kutaisi,  
Georgia (August 14 to 22, 2022)

## MALAY KEDIA

Four Year Classroom Program + Pinnacle  
(Vasundhara Centre)

I am Malay Kedia. I have been studying in FIITJEE Ghaziabad (Vasundhara) for the past 3 years since class 9. Under the guidance of my teachers, I have secured a silver medal in the 15<sup>th</sup> IOAA held in Kutaisi, Georgia.

I am enrolled in FIITJEE's Pinnacle Two Year Integrated School Programme. In this programme, I got ample time to self-study, and hence, could easily take out the time to study astronomy, while continuing my regular studies for JEE. My teachers here at FIITJEE helped me to build a strong base in all physics, chemistry and mathematics, which helped me to crack INAO and later study astronomy and astrophysics in depth. I would also like to thank HBCSE and the Indian govt for spending enormous time, money and resources to train me and make me qualified enough to tackle the paper of IOAA. Besides them, I didn't take any external support from any other coaching institutes.

I thank my parents, teachers, mentors and all supporters in my journey till now, and will work even harder to achieve better results in the olympiads and other exams to come.
